OLIVE

# CURVED SURFACE DESIGN.

Olive is an office chair featuring flowing curves. The design highlight is that any part in contact with the human body forgoes the straight and square routine and embraces a smooth flow. By doing so, Olive casts a dynamic spell on the space, creates a sense of affability, and alleviates the tension in the air.

## An All-curved Pressure-relieving Chair

Olive's all-curved surface perfectly fits with the lines of your shoulder, waist, back, hip, and arm, and helps you to maintain a relaxed condition. It offers a package of five configurations to indulge you with a pressure-relieving sitting experience throughout working hours.

# BIDIRECTIONAL MOVABLE CUSHION

Curved like a cascade, the cushion effectively relieves the pressure felt by your knees and promotes the blood circulation process. Also, it can be moved forward and backward within a range of 55mm. Expanded seat depth effortlessly accommodate people of different body shapes.

### Recline and Relax, Adjustable Comfort

104°-132°

Whether working, entertaining, or taking a reclined nap, different modes provide body with a comprehensive and comfortable experience. Paired with an adjustable footrest, it relaxes and supports your feet, relieving fatigue in an enjoyable way.

Vibrant lines and harmonious color schemes endow this space with more connotations.

### 1. PU Armrest with Adjustable Height

70mm adjustable range for proper arm and wrist support.

### 2. Tilt Tension Control

The tilt tension can be adjusted by setting the mechanism.

### 3. Reliable Nylon Base

Injection-molded as a whole; excellent weight-bearing capacity; stylistic curving facets.

### 40° Reversible Lumbar Support

Ample lumbar support in a lying, sitting, or leaning position, relieving pressure and alleviating discomfort.

Nylon Five-star Base

Sled Base

### Two Bases Available

Nylon five-star bases bring smooth communications and PA casters cause no harm to the floor.

Sled bases bent at one go provide long-lasting companionship and make you focus on the discussion with its excellent steadiness.

Mesh back is airy and light, and as responsive as your own shadow.
