Success Counts on Toughness

Success Counts on Toughness

It is said that living is to do whatever it pleases, while working requires flexibility and self-discipline. But some toughness is also required. It's not exaggerating, but being tough sometimes is just the answer to success.

Generosity is the Key to Making Progress

Turning around for discussions with colleagues and get immersed in brainstorming will sometimes lead to some collision physically. You are young, you should tumble once in a while.

Now we are having a highly-concentrated meeting, five people, free discussion.
Concentrate, resolute, charming, we will definitely get something from today's meeting.
